1. What are your views on the needs of young children (prenatal to age 5) and what specific steps would you take to address these needs?

We need to protect and give support to ever child from birth though adult this includes early childhood education.

2. What steps would you take to ensure that children birth to age five have access to high-quality and affordable early learning programs?

I am a strong supporter of the former Governor Jim Hunts early childhood education model.

3. What steps would you take to stabilize and sustain North Carolina's early education system and child care workforce as we approach the end of the federal child care relief funding?

I believe in free education from birth till college and would work to make that law and fund it so all children can learn and become better citizens.

4. What are your views on how to provide all children with access to a sound, basic education beginning in early childhood?

As I have said before I believe in early childhood education from birth forward.
