Testimonials

My name is Bryan Sharp and I was the winner of the 2019 Mountain Get-away-Raffle! I am a faculty member at Stanly Community College. My family and I loved the Mountain Getaway that we took in the Summer of 2020 and enjoyed our stay at the Doubletree Hotel in the Biltmore area of Asheville. We toured the Biltmore House and enjoyed fine Asheville restaurants! Buy a ticket and support this fine organization and enjoy a great weekend like we did!

My name is Christina DiSalvo and was the winner of the 2022 Mountain Getaway Raffle to benefit the NC Early Education Coalition. My husband and I had a wonderful stay at Asheville's Biltmore Double Tree Inn and spent our time hiking, enjoying a couples massage, and taking in some of the area's great eateries. It was a perfect mini-vacation in the heart of the Blue Ridge Mountains. I have no doubt the next winner will enjoy it as much as we did!
